So far, it has been extremely difficult. My sister helped with his financial dealings, I as local daughter talked to him daily, got him to appointments. My father would continuously tell her, please stop, do not say those things to your daughter. ThankyouforyourinquirySomeone will beintouchshortly. He has good meals, new friends he eats with every day, and the staff makes sure he gets his meds and eye drops. My father would continuously tell her, please stop, do not say those things to your daughter. He began drinking while we were still . ThesearchIranturnedupseveralthatwerel-Starreviews.I care for my mother in a way no one could imagine, and she is able to care for my brother with great deal of detail, but my caring for her has got me extremely stressed, she seems to be declining, no remembering her past, and her short term memory is gone, her comments are repetitive, I remind her to bath, I sit her down to eat at least a good heavy meal each day, I pay her bills, I buy her groceries, daily cleaning, laundry, you name it, I do it. Mom no longer wants him home and does not want to be his caretaker, which is why he is staying at the facility.
