Good tips, they were very helpful. Combining cutting-edge technology - such as 3D printing - with the creativity of innovators and artists, could lead the way in this directional shift. The personal experiences given for each tip were great. Many entrepreneurs choose to do business in industries they believe are "ripe".

Extreme Poverty Concentrates in Sub-Saharan Africa The number of people living in extreme poverty is becoming concentrated in some of the most unstable and populous parts of Africa, raising the risk of political violence and devastating disease outbreaks.
