Shehasplentyoffood,more-than-adequateclothing,nicefriendsandawonderfulhome. Understand that dealing with unwanted advances is difficult. According to a study from Harvard Business School men have, on average, more followers than women, are twice as likely to follow other men, and even women follow more male users. Similarly, you could keep a note with your best qualities in your phone so that you can review it when you need a boost. Don't tease the girl until she understands your sense of humor. After you've read this scientific study has even found the odd bit of evidence that girls may indeed find it easier to acquire language than boys.
