References to this work on external resources. I missed the ending. Could not get my mind around this book.

However, when someone betrays him, he must use every combat skill he possesses. Will his skills as an elite-soldier be enough to keep him alive long enough to complete his mission and discover the truth, or will time run out? I enjoyed it so much that before I finished reading this book, I purchased the other two books in the series and I can't wait to read .

One after another to the end of the book until it became predictable and tiresome. How will he locate the secret agent planted within the very center of London? If you are a fan of spies, MI6 .
