Revenue, grants and tax planning for capital allowances must also be taken into consideration. It could, in certain cases, lead to the client modifying the project brief.

The lead design consultant and the project managers should normally make the

In many projects there is a body of knowledge and experience in the client organisation. Senior users' meeting Identify risk areas: It will be of value to clients, project managers and all participants in the construction process as well as to educational establishments of all types.

In particular it sets out services which will be kept in-house and those services

resolution Although it is hoped that the non-adversarial approach advocated in the Latham Report and the increasing choice of alternative procurement options and partnering will lead to a reduction in disputes, nevertheless, the project manager should make every effort to pre-empt any dispute that may arise and endeavour to mitigate and resolve the problem.

Environmental sustainability assessment methods.
