AMPS is committed to protecting your privacy and developing technology that gives you the most powerful and safe online experience. The Land Rover Defender series was introduced in the mids, but it seems everyone, including Land Rover itself, uses the Defender name to describe any Land Rover.

We have personal information retention processes designed to retain personal

We may also retain this information to assist you in the future and to improve our customer service, product and service offerings, and events and promotions. This British magazine is printed in full colour on glossy stock in A4 size and is for full-sized vehicle enthusiasts. Many were significantly modified for their new roles, including being fitted with winches, small cranes, and generators after the rear cabin sides were removed.

These designs were reproduced under license in Canada, and were widely supplied to the Kingston Artillery preserved in Canada 5:
