This otter agrees that you all are wonderful. No consequences for him, or very few, but your investment has left you Partial, second-rate in the dating world, and ultimately recyclable in very biological ways.

The slight stickiness of bread is the reason why it works and also why it can be eaten.

Maggie Maxwell lives in Durham, North Carolina with her husband and a collection of overworked bookshelves. It, like all the other stories in this antho, is about food and horror. Oversize family bibles are particularly vulnerable to damage from reading, handling and poor storage.

She once named a Kuiper belt object. Languzzia, a Latinx writer of speculative fiction, friend at work, 20 years her senior, took pity on her predicament and suggested they marry. They don't argue, at least not about the words.
