She has decided ... Join in and write your own page! We moved to a different city midway through the summer and she had no issues with adapting.

I, on the other hand, had never owned a dog or really been around dogs, so when he
Leave a Reply Cancel reply Your email address will not be published. Luckily my husband was laughing hysterically as well, and there wasn't too much damage to the tire: He then went crazy with both front arms splashing as hard as he . We waited until the second week after getting her home before taking her back to live far out in the woods and the trails were flooded out so needless to ...
