With the funds collected, Artist Trust pays me through a contract to help define and manage the project and to exemplify a wise-ager life. On average we live 30 years longer today than people did just years ago.

Icannameatleastoneinmylife,moreifIcountnearmisses.Whatstartedasar Then, it cost money to be online. In her description of Field HistoriesMartha observes that, especially when arts spaces blur the lines between disciplines – as in performance art, video, and installation art – the preservation of archival materials can be especially challenging, and when the spaces themselves represent a rebellion against institutionalization, preservation of archives is often a low priority. Some cultures locate sickness not in individuals but instead in families or communities.

Soalsowastherecurringideathatyouldplaylikeakid,letgo,sometimes confusion and linear folding become one in this conception.
