Harrison responded to audience members' questions. Harrison Drawing on a three-year research project that explored the cultural values of dozens of nations--from Botswana, Sweden, and India to China, Egypt, and Chile--Harrison offers a provocative look at values around the globe, revealing how each nation's culture has propelled or retarded their political and economic progress.

CultureMattersLawrenceE.This is less a book arguing a particular point than Harrison seeks in the book to provide answers to a range of questions. The answers to some of these questions might help determine which assessment is most appropriate for which kind of task.
