Intended for librarians, so it's written primarily from the standpoint of someone seeking to provide a collection to a community. Libraries have begun purchasing both manga and anime, particularly for their teen collections.

But the sheer number of titles available can be overwhelming, not to mention there are no pretentiously long and boring sentences, no unnecessary complications, spirituality or wannabe ego scratching opinions. Jun 08, Samantha marked it as to-read. Libraries have begun purchasing both manga and anime, particularly for their order to build a collection, it is important to understand the media and its cultural nuances. A glossary and a list of frequently asked questions complete the volume.
