One of the pumps has been shot away, it is generally thought we are sinking. Water is the life giver, the man the human the potential life taker. Many sweating, ploughing, thrashing, and then the chaff for pay- ment receiving.

The first I graft and increase upon myself, the latter I translate into a new world.

The syntax - the way the words are put together within a clause - and enjambment - line endings flowing on into the next line - work together to produce a mesmerising effect. And to glance with an eye or show a bean in its pod confounds the learning of all times.

What groans of over-fed or half-starved who falls sunstruck or in fits. I am the mate and companion of people, all just as immortal and fathomless as myself. You shall possess the good of the earth and sun, there are millions of suns left.
