But the best way to understand the experience and effects of the Art and Science of Love workshop is to open the door a crack so you can peak into it. He has seen many marriages become fully reconciled after being on edge of disaster. But if there were ever a definitive guide to becoming a genius, this would be it.

They spend over half of their marriage in the ministry. From this standpoint, If you have a strong relationship, this workshop will provide you with insights and tools to foster further closeness, friendship, and trust. If for any reason you and your partner need help to get over a hump or you are confused about the task, you hold up a card signifying this, and roving therapists will immediately come and support you.
