Amazon Giveaway allows you to run promotional giveaways in order to create buzz, reward your audience, and attract new followers and customers. Before the sun has set, they have become more than just friends and allies—they are bonded as tightly as any two people who have been to war. The action is thin and predictable, but I kept reading through it expecting that after I understood what had happened, I actually considered not jumping back to see what I missed, as the book would be finished quicker. This take awesomeness to the extreme!
