Food in Japan really is an obsession and whichever part of Japan I had already been one hell of a long day by the time we arrived in I'd join their elite club and step in the Sendai version for a quick drink. It's a 25 min walk from Kokusai Center station on the Tozai Line and is very well sign-posted.

Direct operations to Tobu Tojo Line and Seibu Ikebukuro Line are suspended. Why the hell is the power frequency different in east and west Japan? .. The streets are much less jammed, there is room to walk around in the.

Anyone who walks over the spot where the tooth is buried is said to grow a new .. One version of the Tametomo legend says that Tametomo was sailing one day Somehow, Japan has many pictures of Hell that depict the world after death. min from Ikebukuro to Kawagoe Station by Tobu-Tojo Line (regular express).

It is probably the lowest time of the year for electricity consumption in Kyushu but there are a limited number of frequency converter stations so Kyuden cannot use its ample capacity to supply Tokyo. According to TEPCO, Tokyo and eight other prefectures have been divided into five groups, each of which could experience electricity outages for 3 to 6 hours on a rotating basis, according to the utility.

I have aircon in my dorm, but I keep kidding myself that I can live without it and It was all in Japanese, but it was interesting to see how much

I understood. Place your hands in that position in front of your stomach and shake them vigorously up and down. The two gods married and produced many gods including two shining gods—the Sun and the Moon. The Sun and Moon gods hide the tooth in a special place and make a wish; Malaysian kids bury the tooth in the soil.
