An Introduction to Political Philosophy. Overall, Franklin's life was very interesting and full of practical wisdom and this book reflects that in it's easiness to read and distillation of Franklin's ideas and actions. Lorraine Pangle, writing about a most charming and profound influencer of modern politics and culture, has struck the perfect tone and style in her book on his political philosophy which endears him to the highest degree while also refusing to let him off any philosophical or practical hook.

Enterthenameoftheseriestoaddthebooktoit. Franklin is not quite of one mind on the question. If the series has an order, add a number or other descriptor in parenthesis after the series title eg.
