They had no interest in making an 'objective documentary In the opening scene we hear the voice of a petrified Hasidic woman who calls the police in a desperate attempt to find safety. While I tremendously respect the courage One of Us strength of these people who are facing their demons One of Us are making a life for themselves against all odds, I am troubled by the fact that their stories, in its heightened dramatized version of the film, is going to shape our image for many, many people around the world.

Filmmakers like Heidi and Rachel, are examples of why more female directors are. Sure, we are an insular community. Had Ari been married, born children, and had those children taken along with him on his journey, against the wishes of his spouse – that would be a different story.

This article about a religion-related documentary film is a stub. Share this Rating Title: In reality, the bulk of Hasidic people lead a strikingly similar life to that of the rest of the civilized world.
