It's not just play You can only provide the right conditions for learning to happen. Collaboration and critical thinking were just what the factory owners wished to discourage. Toomuchfollowingandthesameistrue.Ourworldneedsmoreadultswhochallenge None of us are perfect. In all situations, it is my response that decides whether a crisis will be escalated or de-escalated and a child humanized or dehumanized. You can only provide the right conditions for learning to happen. Instead, let them unfold into who no human can imagine them to be. ChildrenTea children how to think and their ideas are unlimited. For example, the Mantle of the Expert encourages them to form teams of inquiry, solving an imaginary task – such as running a container port, excavating a tomb or rescuing people from a disaster – that cuts across traditional subject boundaries.
