This was my all time favorite book when I was a child.

Definitely made me want to travel around Europe!

I read this whole series and really enjoyed it; I still have 5 or 6 of the books I have.

Still good for people who like this sort of thing which does include me, but I don't see myself rereading these books; once was. Some chapters work well together, and others do not.

There being no library in the nearest town, my early reading during summers with Mother and my paternal grandmother in the latter's cottage near Lake Michigan was severely limited by what was on hand, mostly books belonging to "Nanny", my grandmother.

When I was young I thought how much fun the Peppers had and longed to belong to a family where prosperity strikes, and the two girls of the family are surrounded by kindly, loving people who continually discuss how wonderful the aforesaid girls are and "gentle reader frowed up". Seeing the happiness from a family living in poverty.
