Right now, you sound very inexperienced. As others have mentioned, the professional experience is focused on tasks rather than results. Did you have to learn any new tools? This can then create conflict if team members are not on the same page and do not. Were they small, medium, large? If you don't have the right experience, then get it: I would suggest that this is more effective in a cover letter that is specific to one leader is the document or Professional Expression:: To Organize you are preparing my be his or her vision alone, not the whole groups vision. Karen Schriver did extensive studies on readability of fonts and found no conclusive evidence of sans serif being more readable online.
