Colossians and Philemon have traditionally been overshadowed by other New Testament texts thought to express Pauline theology more clearly. Works can belong to more than one series.

I commend Rob Wall for offering us, and the wider church, his canonical reading. Written by respected scholars, the THNTC volumes aim to help pastors, teachers, and students engage in deliberately theological interpretation of Scripture. He begins by surveying and evaluating the main scholarly approaches to Psalms and then provides exegesis of all the psalms, emphasizing their distinctive messages. Ecclesiastes is an Old Testament book with a long history of diverse and contradictory interpretations.
