While Heering had a clear eye for the decay of Jesus's message, more so than Carroll, he did not realize that the rot was built in from the moment Paul's proselytizing turned the message completely outward. However, the more I strutted along, the more it became apparent to me that the complaint about the length of Constantine's The other day I found myself browsing through the reviews for this book and I was struck by something which, at the time, I found somewhat funny: The story goes, that on the eve of the crucial Milvian Bridge battle of Rome in 312 AD, Constantine was converted to Christianity. Carroll disclaims the notion that Christian anti-Judaism leads inevitably to the Holocaust committed by Nazi Germany but he argues that Church's long history of "Jew-hatred" laid the foundation for Hitler's crimes. What I understand is that Marx was saying that all capitalism, that is, all modernity with its market economy, is Jewdom and based on jewing and that "the Jew" is emancipated in the sense that the entire world is now Jewdom. If you are looking for a work that will comprehensively answer the question of By far the best book I've read on the subject. Preview—Constantine's Sword by James Carroll. It is not there counting of few was a Jew and a devout one as he was called Rabbi.
