I can honestly say that this is one of the best books by an indie writer that I have come. Fantasy for when you need quicker reads.

I discovered a different series by DalGLISH by chance at the library. I loved this. This was a hard book to rate. I fully intend to read the other books in the series, though maybe not straight away. Hard to connect to characters who didn't really reach out to the reader.

You can read this item using any of the following Kobo apps and devices: The story target not only the enemy but the young and innocent.
