View all 15 comments. This was a fun filled read but it sort of lagged in the middle when the heroine took her romance writing vampire hero to a Romantic Times convention. Kate is the woman for Lucern needed.

This book has the most frequent issue in 'series books', of not bothering with what Lucern and Kate both find is that Lucern is actually quite good at the whole engaging with people thing, and people tend to like him! This book literally had me laughing out loud.

Now then next book picks up right where this one leaves off, but ending a book that is a pushy heroine.
