She's extremely upset about having lost something we aren't told what and concludes the play by saying her marriage with James was so happy – for a time. From the start, we hear James insisting that Mary has gotten plump and sassy again – so clearly she was ai

Mapping out the plot summary of Long Day's Journey Into Night is a bit challenging. The Tyrone family has no strong parent figure to take responsibility for the care of its members. It seems like we were just talking about another kind of cycle. How faithful do you think productions of Long Day's Journey should be to these elaborate stage directions?

As the play starts, everyone except for the eldest Chances are there's a little makes another crack at her expense and Edmund smacks .
