Sounds ridiculous, but maybe not! We each have an insurance card with a chip, which is used to keep our personal data and also record electronic referrals and prescriptions. Hey Jon, very sorry to hear about those fights with cancer.

But in the long run when I retire to an ocean front compound or commune? Their model emphasizes preventive care as their are an insurance and they know it costs them less in the long term. It boiled down to this: . Check your paradigms, and put your anger where it belongs.

And of course the finger pointing is always AT the government or the free market every premium dollar that has ever been paid on my behalf the past 30 years went to insurance companies.
