It has its moments but it ultimately not necessary. So Ultron uses Tony Stark's Extremis virus to remake Tony into something naked, partially silver woman who looks exactly like the Wasp, the ex-wife of Ultron's creator.

Steve Rogers decides that it was fate and he convinces Tony Stark to reboot the Iron Man. They also happen upon a mysterious man known as The Sentry. It turns out that a new version of Ultron has arrived to kill every living thing on the planet. Less than 20 minutes after the last selection has been made when an attack comes.
