Thus the art of life is not seen as holding to yang and banishing yin, but as keeping the two in balance, because there cannot be one without the. Becoming a universal stream, one is not separated from eternal virtue. Thus the art of life is not seen as holding to yang and banishing yin, but as keeping the two in balance, because there cannot be one without the. When the trigrams are arranged specifically in their appointed positions around the Yin and Yang symbol, which occupies the Middle Direction, a Pa-Kua is formed and an energy pattern is developed: Following the Way, then, is like going on a cosmic trek. The use of 'Dao' in this context refers to the literal 'way' of Buddhism, the return to the universal source, dharma proper meditation, and nirvana among other associations. He emphasized the ethic of the Way. Like water it is undifferentiated, endlessly self-replenishing, soft and quiet but immensely powerful, and impassively generous.
