When the esteemed Dr James Barry died in an examination of his body revealed that he was a woman, Margaret Bulkley, who had disguised herself to practise medicine, says Robert Hume A circa painting of Dr James Barry, a woman who lived as a man to practise medicine when women were barred from doing so. But she was determined to become a doctor.

Although Barry's entire adult life was lived as a man, Barry was born Margaret Bulkley. Across the Empire, Barry achieved fame not only as a brilliant physician, but also a legendary duellist and a celebrated social figure. A war hero and medical pioneer, Margaret Ann Bulkley saved the lives of soldiers, and gave life to the unborn. Wikimedia Commons has media related to James Barry surgeon.
